Tall Oaks Chapel
Sometimes life may seem like it’s about anything but YOU! We often forget that before we can take care of our loved ones, before we can volunteer, and solve all the world’s problems, we have to take care of our own bodies, minds and spirits!

This retreat will offer a combination of self-care activities and unplanned time so that you can enjoy a few hours of pampering and focusing on yourselves. Come to recharge, renew, and practice some self-compassion and kindness.
