

Oil+Wax supply list:

- ◆ **Painting surface:** Cold wax works best on either primed wood panels such as the Ampersand panels or paper such as Arches oil paper. Bring a surface at least 11' x14" in size, the larger the better.
- ◆ **Oil paints:** These can be either student or professional quality and whichever brand you prefer. Just make sure to bring at least the three primaries (red, blue, and yellow.)
- ◆ **R&F pigment sticks,** bring at least two different colors to play with
- ◆ **Cold wax medium,** preferably Gamblin brand but Dorlands works as well
- ◆ **Brushes,** preferably stiff ones, in various sizes to fit your painting surface.
- ◆ **Gamsol** to clean and thin out wax medium
- ◆ **Container for Gamsol** such as palette cups or a small jar
- ◆ **A palette** to hold and mix paints
- ◆ **Mark making implements:** Try to bring at least two or three different tools to work with. Some of these include brayers, squeegees, palette knives, sticks, etc. Don't be afraid to get creative!.

**All of these supplies and more can be purchased at Art & Frame for discount prices.**
