

Scripts for Requesting a Video Chat

Hi ____,

With the big changes in the world (COVID-19) I've decided to hold some 1 to 1 networking meetings. I wanted to reach out to learn more about what you do and share with you what I'm up to. Do you have some time this week to chat?

Hi ____,

Obviously, things in our business have changed quite a bit recently, I bet they have for you too! I'd love to jump on a quick video chat and catch up. Do you have time this week or next week?

WoW...It's been crazy ____. So many fast moving changes. I'd love to connect with you on a video call to catch up. Do you have just 15 minutes this week or next week to do just that, catch up?

Hi there ____,

Since most of the world is working from home and using video conferencing to connect, I thought it might be good to reach out and see if you wanted to connect. Do you have 15 or 20 mins to just chat and catch up? If so let me know and I'll send you a link to my calendar to make it easy to schedule something! I hope you are well!
