CLOSURE
STELVIN

ALCOHOL
12,0 % VOL.

SWEETNESS
3,5 G/L

ACIDITY
7,9 G/L

MATURATION
STAINLESS STEEL

H.O. Spanier has been working continuously over the last few years to establish BattenfeldSpanier in the top group of German wineries. Numerous national and international awards, including top ratings at Gault&Millau and Eichelmann, confirm this philosophy of quality very impressively.

Harvested in meticulous hand harvesting, only perfectly mature and healthy grapes come in to the cellar. Leaving the wine for a long time on the fine yeast and the partial expansion in the large wooden barrel complete the wine into a good wine with character, charm and wonderful drinking flow.

It is the wine that Gault&Millau proclaims as a "top-of-the-range product" to be honoured. And indeed: Our Riesling estate wine has it all!

Already in the nose, the wine exudes a ripe stone fruit accompanied by fine herbal aromas. In the mouth, the aromas of yellow plum are found, accompanied by a wonderful juiciness.

The mouthfeel is refreshing, accompanied by a long reverberation-a riesling that never makes you tired.

This is our Riesling "business card" and at the same time the entry into the premium wine world of BattenfeldSpanier.
