At the very end of our 2018-2019 season, dozens of singers who represented over 30 years of Madison Youth Choirs history gathered at the first official MYC alumni reunion, an event filled with laughter and bagels and tears. Though many in the room had never met before, they sang everything from Biebl’s “Ave Maria” to Randy Swiggum’s “The Joy of the Climb” with spirit and a shared connection, feeling at home with one another’s voices.
We thank all of the singers, families, supporters, alumni and community members who have played a role in this joyful season and led the way for even more young people to share their voices!

• Welcoming extraordinary guest artist Tony Memmel, who encouraged us all to look towards resilience and ingenuity when faced with life’s challenges.

• 60 young singers displaying outstanding focus and skill while performing with Madison Symphony Orchestra in Mahler’s Symphony No. 8.

• Pushing musical boundaries in tackling difficult work like the Madison premiere of Benjamin Britten’s “The Golden Vanity.”

• Watching three generations of our singers’ families join in song at the conclusion of our “Legacy” concerts.

• Quiet moments of transformation, subtle examples of courage, and small acts of kindness that our conductors noticed at every rehearsal.

It was a profound joy for all of us to hear about the journeys these young adults have taken since their choir days, and to see in them MYC’s mission in action, as creative, deep-thinking, and compassionate citizens. We can’t wait to see what the future holds for our current young singers, the inquisitive Choraliers member who might become an astrophysicist, or the energetic 4th grader in Purcell destined to be an inspiring teacher someday. As they learn and grow, we hope these young people will keep with them some of the beautiful experiences we’ve shared this season at MYC, including:
