

Dock Mennonite Academy Daily Home Screening for Students

Parents: Please diligently complete this short check **each morning** before your child leaves for school.

SECTION 1: Symptoms

If your child is feeling unwell enough to require morning medication, DO NOT send him/her to school. If your child has any of the following symptoms of possible illness, Please DO NOT send him/her to school. Symptoms decrease the student's ability to learn and increase the risk of illness spread to others.

X	Symptom(s)
	Fever
	Sore throat
	New cough, particularly one that causes difficulty breathing (for students with chronic allergic cough, this would be a change from usual baseline)
	Diarrhea, vomiting, or abdominal pain
	New onset of severe headache (with any evidence of fever)

SECTION 2: Close Contact/Potential Exposure

If your child has had a potential exposure as outlined below, please contact the school nurse at 215-723-1196, extension 1258 and DO NOT send him/her to school.

X	Exposure
	Had close contact with a person testing positive for COVID-19 (within 6 feet of an infected person for at least 15 minutes)
