

## What Others Are Saying about the Utah Building Industry Conference

- *Get information. I really enjoyed the presentation.*
- *Had some great points and was very energetic at 8am!!*
- *High energy! Great presentation!*
- *One of the top 5 speakers SUHBA has ever had, great!*
- *Enjoyed it. Clear and concise. I loved the energy Eric had also. I plan on watching his in depth class on the 5 keys. Also glad that we will be receiving the slideshow, I wish he had a little more time to talk.*
- *Interesting topics and presented very well.*
- *Some really nice gems in this presentation!*
- *Thank you for the informative session.*
- *Great presentation. Gave me a lot of ideas and excitement to critically look at how we can work towards an ultimate plan for our business.*
- *Great session! Thank you for the statistics regarding business planning strategies.*
- *Great personality and very engaging, had some great points. Learned a lot from the key components slide.*
- *Great information. Thank you!*
- *A lot of really great information about contracts.*
- *Great to know the latest info on each city.*
- *One of my favorite parts of the building conference, it's great to hear from our local leaders.*
- *Loved the reports from our communities.*
- *Excellent presentation with applicable steps and processes.*
- *Appreciated the information and humorous presentation.*
- *Good info presented in a funny way*

**These are just some examples of the value this one-day annual conference gives to the home building professional. We trust we will see you in November!**
