

Barney McKenna & Olmstead, PC

Since 1999, Barney McKenna & Olmstead has offered a full range of legal services for construction, development, and land use planning. From formation to succession planning we can assist you with your business and construction legal needs. With licenses in Utah, Nevada, Arizona, and California we can assist with partnerships, contracts, CC&Rs, employment law, development, asset protection, financing agreements, lien law, zoning and land use, corporations, LLCs, licensing, litigation, and estate planning. We are happy to offer a free initial consultation to SUH BA members for your construction, business or estate planning needs.
