

Reliance Lighting

Reliance Lighting has been in business in Southern Utah since 1986. We offer lighting fixtures in many different types and styles for your residential or commercial projects. Our salespeople are on hand to help you make a selection within your budget or design a custom package to meet your specific taste. We also have a fine selection of table and floor lamps to choose from to add that final touch to any décor. Stop by our showroom at 214 E Telegraph Street today and let us light up your life!
